As central and southern Delaware's largest healthcare system, Bayhealth is comprised of Bayhealth Hospital, Kent Campus and Bayhealth Hospital, Sussex Campus, the freestanding Emergency Department in Smyrna as well as numerous satellite facilities and employed physician practices encompassing a variety of specialties.

Bayhealth is a technologically advanced not-for-profit healthcare system with more than 4,000 employees and a medical staff of more than 450 physicians and 200 advanced practice providers and growing.

Bayhealth is an affiliate of Penn Medicine for Heart and Vascular, Cancer and Orthopedics. In March of 2019 Bayhealth announced it has begun the process to launch a residency program (GME) for recent medical school graduates. The program will assist in bringing more doctors to the area, enhance the culture of learning at Bayhealth, and foster improvements to patient care and the patient experience. Developing the next generation of physicians to serve the Bayhealth communities is a top priority. Initial programs in family medicine and internal medicine commenced in July 2021, followed by general surgery and emergency medicine in subsequent years.
